

House Resolution No. 2003

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State educators who have dedicated their time and energy to ensuring that today's students garner the knowledge, skills, and experiences necessary to become lifelong learners and future societal leaders; and

Whereas, Millie White of Republic has attained considerable distinction for a teaching career that has encompassed nearly four decades in such far-flung locales as Kansas, North Carolina, and the country of Tanzania; and

Whereas, a teacher in the Republic School District for thirty years, Millie White recently enhanced her already impressive record of achievement when she was named as the Southwest Missouri Educator of the Year at the Missouri Middle School Association's annual conference on March 18, 2005, at centrally located Tan-Tar-A Resort on beautiful Lake of the Ozarks; and

Whereas, Millie White is a sixth-grade teacher who admirably guides her middle school students' energy along creative, educational paths; and

Whereas, a lifelong learner who intuitively presents material for visual, aural, and haptic learners, Millie White qualified for the Southwest Missouri Educator of the Year recognition because of her contributions to the Republic middle school program, leadership abilities, innovative projects, and ability to communicate with adolescents; and

Whereas, Millie White is excited about helping her students successfully transition through enormous physical and mental changes in their lives, and she is just as excited about teaching social studies utilizing artifacts or information gleaned from her travels around the world:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the well-deserved selection of Millie White as the 2004-2005 Southwest Missouri Educator of the Year by the Missouri Middle School Association and to convey to her this legislative body's most heartfelt best wishes for continued personal and professional success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Millie White of Republic, Missouri.
